Re: U.S. Patent Application No. 09/588,195, for METHOD AND APPARATUS FOR
EFFICIENT MANAGEMENT OF XML DOCUMENTS
Our File: G0008/7003

Dear Examiner Nguyen:

In keeping with our telephone conversation of this date, please be advised that the art cited in the attached IDS must have erroneously been filed against the above-referenced serial number by a different law firm. Obviously the art has nothing to do with the subject application. Furthermore, please note that the Attorney Docket No., the Applicant and the Filing Date on the 1449's are not harmonious with the subject matter of the above-referenced patent application.

Therefore, please see to it that this art is not cited on the face sheet of the soon-to-issue Letters Patent. Furthermore, you may want to advise the law firm which submitted it that they should resubmit it against the correct application.

Thank you for your assistance. Should you have any questions or concerns regarding this application, please do not hesitate to contact us.

Sincerely yours,
KUDIRKA & JOBSE, LLP
